

*Come to Waxahachie and sit a spell on*  
**Heaven's Front Porch**

A staged production featuring brush-arbor sacred music presented on stage at Waxahachie's historic 1902 Chautauqua Auditorium

To the sound of a gospel piano, the 14-member cast presents quality arrangements of hymns and revival songs which enjoyed great popularity at another time in our rich history of congregational singing – especially in the southern United States. At times, you will be invited to join in.

The program for the new season includes some material from past seasons with new songs and stories added to the mix. So if you've been here before, you'll find new things to enjoy.
